

QGEN

No Fascists

If you're a fascist, you're not welcome to play this game. It's just really bad for everyone involved. I don't want to play with you.

QGEN is a series of dice tables that help to generate a game world. These tables are designed to help you create a game world that is safe and fun for everyone.

Safety Tools

Playing the Vorn RPG should be enjoyable for everyone, and it should be a safe space for everyone to play in. If you're not comfortable with a game, you can always opt out. We want to make sure everyone is having fun.

Safety Tools

What are safety tools?

Sometimes games have content or situations where a player might feel uncomfortable. We want to make sure everyone is having fun. We want to make sure everyone is safe. We want to make sure everyone is having fun.

The toolkit

Different safety tools work better for different people and games. We want to make sure everyone is having fun. We want to make sure everyone is safe. We want to make sure everyone is having fun.

This guide contains summaries of some safety tools and regularly updated with new tools, trends, and the toolkit is

Before the Game Begins

During the Game

X, N, and O Cards

X, N, and O cards are check-in tools. They can be used by anyone. It's a tool for communication and discussion. It's a tool for communication and discussion.

The X card can be used at any point if a participant is uncomfortable with the group or environment, or if a game is not working for them. The board can be used at any point if a participant feels that the game is not working for them. The board can be used at any point if a participant feels that the game is not working for them.

Script Change

The Script Change RDC Tool is a collection of tools that can be used to help players who are having trouble with a game. It can be used when something has happened in the game that the player is not comfortable with, or when the player is having trouble with the game. It can be used when the player is having trouble with the game, or when the player is having trouble with the game.

Luxton Technique

With the Luxton Technique, when a participant comes to the end of a game, they are asked to reflect on the game and to share their thoughts with the group.

Open Door

The Open Door is the assurance that someone can leave the game at any time without any consequences.

Breaks

For games longer than 2 hours or games that have a lot of complex rules, breaks are a good idea.

After the Game

Bleed

Emotions and stress from the game can bleed over into players' lives. It is important to have a way to deal with this.

Aftercare

Together as a group after the game, check in with each other and share your thoughts on the game.

Debriefing

Debriefing is a way to reflect on the game and to share your thoughts with the group.

Stars and Wishes

Stars and Wishes is a way to reflect on the game and to share your thoughts with the group. Stars are things that the participant enjoyed, and Wishes are things that the participant would like to see in the game.

Highlight Reel and Wrap Session

Similar to Stars and Wishes, the Highlight Reel and Wrap Session is a way to reflect on the game and to share your thoughts with the group. The Highlight Reel is a way to share your favorite moments from the game, and the Wrap Session is a way to share your thoughts on the game.
